

## PARENT PAYMENT ARRANGEMENTS – YEAR 1

### SHERBOURNE PRIMARY SCHOOL

Outlook Crescent  
Briar Hill, VIC 3088

[www.sherbps.vic.edu.au](http://www.sherbps.vic.edu.au)

January 2021

Dear Parents,

Sherbourne PS is looking forward to another great year of teaching and learning and would like to advise you of Sherbourne PS's parent payment arrangements for 2021. Please note that in 2021 rather than having the booklist packs done individually, the booklist items will be delivered directly to the school classrooms as a bulk order and your child's teacher will hand items out to your child as needed. Your child will also receive a list of pencil case items that are required, that you will need to provide. These items can be items that your child already has and are clean and suitable for use. These decisions have been made in the context of our school's Covid-Safe Plan. This list will be distributed in December.

Please find the fee schedule for 2021 attached. Please complete this form and return to the school by Friday December 4 so the school can prepare accordingly.

Sherbourne PS makes every effort to keep the cost of items and activities to a minimum and affordable for all parents.

### Financial Support for Families

Sherbourne PS understands that some families may experience financial difficulty and offers a range of support options, including:

- the Camps, Sports and Excursions Fund
- Payment plans available through arrangement with the school through the Business Manager.

For a confidential discussion about accessing these services, or if you would like to discuss alternative payment arrangements, contact our Business Manager, Carolyn Kyte on 9434 7142 or email: [carolyn.kyte@education.vic.gov.au](mailto:carolyn.kyte@education.vic.gov.au)

### Payment Methods

- Parents and guardians will be provided with early notice of payment requests for essential student learning items, the optional extras and voluntary financial contributions (a minimum of six weeks' notice prior to the end of the previous school year).
- Payments are kept to a minimum with payment requests and letters are fair and reasonable.
- Payments can be made in full or through instalments. Payments can be made by direct deposit (preferred), credit card or cash to be paid directly to the school office.
- Payment requests or letters to parents will be itemised and the category each item falls under will be clearly identified as an essential education item, optional education item or voluntary financial contribution.
- Receipts will be issued to parents immediately upon making payment.
- Reminders for unpaid essential education items or optional items will be generated and distributed on a regular basis to parents.

- All records of payments or contributions and any outstanding payments by parents and guardians are kept confidential.
- Only the initial invitation for voluntary financial contributions and one reminder notice will be issued to parents and guardians.

### Refunds

- Where Sherbourne Primary School is charged for the provision of a program or service as a bulk cost and not a “per head” cost, no refund is able to be given.
- Where a “per head” fee is charged refunds may be given, subject to any program or service cancellation policy and upon receipt of a medical certificate
- In some circumstances, a partial refund may be possible: where there is a combination of a bulk charge and a “per head” charge in an excursion. For example: An excursion to the zoo – Bus charge is a bulk cost and the entry fee is a “per head” cost, only the “per head” component may be able to be refunded.
- The Principal will have the capacity to view special circumstances on an individual basis.
- Refund will not be given if the refund will cause a financial loss to the school.
