### CLASS TIMETABLE

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
	STEM- Miss Maguire	Visual Art- Mrs Killmister	Physical Education- Mrs Denholm	
	Japanese- Kim Sensei	Library- Linda		

### LEARNING FOCUS THIS TERM

ENGLISH Reading Writing Spelling	<p>In our reading sessions, our class starts the week with a focus on recognising and decoding words, and understanding their meaning. Then the latter part of the week is spent building knowledge of comprehension strategies.</p> <p>In writing lessons we will be investigating the structure of recount and narrative and using punctuation. There is also daily instruction on pencil grip, and practising how to write upper and lower case letters.</p> <p>We follow the Soundwaves spelling program. In term 1, the Preps are focussed on learning a new sound each day, which complements their handwriting lesson. The Year 1 students have a focus sound each week, which is consistent across the school. The speaking and listening focuses for this term will be engaging the audience when you are presenting with a clear voice and being an active listener.</p>
MATHS	<p>This term our maths sessions focus primarily on place value: counting, writing digits, and investigating two-digit numbers. We are also learning about days of the week, months, seasons, tallies, yes/no questions, and simple graphs.</p>
INTEGRATED STUDIES	<p>The topic for this term is called 'How can I be the best version of me?'. Throughout this unit children will explore our school values RESPECT, RESPONSIBILITY, TEAMWORK and LEARNING. Children will also have the opportunity to investigate themselves as a learner. They will think about what strategies help them do their best and also discover what it means to have a 'growth mindset.'</p>

### CLASS ROUTINE

Each day please arrive at school on time in order to allow your child time to transition from you into the classroom without feeling rushed. Please encourage your child to carry their own school bags and place it at their name tag on the deck at the beginning of the day. This will help to build their independence. Each day please make sure that your child has their lunch including a fruit snack, freshly filled drink bottle with water, and blue (notices) and red folders (reading). Students place their drink bottles on their desk at the beginning of the day.

## TERM 1 NEWSLETTER 2023

### HOMEWORK EXPECTATIONS

HOME READING	Students will focus on developing nightly home reading routines this term. Each day students will need to bring their red reading folder to and from school. Within this folder will be a home reading log and a home reader. Please fill in the reading log each night and spend some time each night looking at the home reading and listening to your child read. At this stage of the year it is important to set up a good home reading routine so that your child can practise the skills they are learning each day at school and it demonstrates that you value reading too.
CHATTERBOX	From week 3, we will be completing a weekly Chatterbox. Similar to show and tell, we ask that your child comes prepared to share about them. This forms part of our integrated unit as well as speaking and listening. Your child's Chatterbox presentation can be presented in any form. Let them be creative!! They may like to create a poster, draw a picture, make a PowerPoint presentation, or share photos.

### Term 1 Weekly Chatterboxing Timetable

Day	Student
Monday	Brianna, Matteo, Ella G
Tuesday	Adeline, Willow, Eddie
Wednesday	Max, Ari, Holly
Thursday	Jordan, Caleb, Ella M
Friday	Spencer, Olivia, Bowie, Tate
