

PARENT PAYMENTS ARRANGEMENTS

BOOK PACK INFORMATION – Year 3 2026

Dear Parents and Guardians,

At Sherbourne Primary School, we are committed to providing every child with the best possible education. While the Victorian Curriculum is delivered free of charge, your contributions enable us to offer programs and resources that go beyond the basics. This creates a richer, more engaging learning experience for your child.

Your support helps us fund:

- Online learning tools such as **Mathletics**, **Reading Eggs**, and **Sunshine Online**.
- High-quality classroom materials for **Art**, **English**, **Mathematics**, **Physical Education**, and **Music**.
- Upgraded technology and improved learning spaces.
- Student wellbeing programs and safe, vibrant school grounds.

These contributions make a real difference in the opportunities we can provide for every student.

Contribution Details for 2026

The school management and school council are very conscious of keeping costs to a minimum, and as such the voluntary contribution amount for 2026 remains unchanged:

- Curriculum Contributions: \$370 per student
- Other Contributions: \$50
- Total: \$420 per student

There is a more detailed breakdown of how these contributions are applied shown later.

This contribution is **due by February 27 2026**, but paying now (option to pay with book pack order) will make things easier and ensure resources are ready for the start of the school year. Early payment means one less thing to worry about later—and helps us plan effectively for your child's learning.

PARENT PAYMENTS POLICY

ONE PAGE OVERVIEW

FREE INSTRUCTION

- Schools provide students with free instruction and ensure students have free access to all items, activities and services that are used by the school to fulfil the requirements of the Curriculum. This includes the Victorian Curriculum F-10, the Victorian Certificate of Education (VCE) including the VCE Vocational Major and the Victorian Pathways Certificate.
- Schools may invite parents to make a financial contribution to support the school.

PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

Curriculum Contributions

Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.

Other Contributions

Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.

Extra-Curricular Items and Activities

Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.
